Octavia

Escape the everyday

You could stick to the path. Follow the rules. Never question convention. You could live your life according to others. But where's the fun in that? Life is for living on your terms. At your pace. That's where the Octavia provides a beautifully compelling option. It enables you to personalise your driving experience at every turn. It keeps you fully connected to your online world. And it features all the latest driver assistance systems you need to break free of routine in absolute safety.

Models shown are not UK specification. Some of the equipment shown is optional.

A feeling like no other

The Octavia's exterior is the perfect expression of emotion in motion. Adoration, affection, amazement – the dynamic lines and sharp design of the exterior quickly evoke a great sense of each, delivering a compelling fusion of aesthetics, safety and practicality.

Headlights and fog lamps

While every light on the Octavia is stylish, none are quite as innovative as the front headlights. Optional across our trims, matrix technology uses a windscreen camera to detect both the driver in front and oncoming traffic. Once detected, it automatically adjusts light intensity to avoid blinding others. Add to this the powerful LED Fog Lamps and you can be confident of a safe drive whatever the conditions.

Rear LED lights

Beautifully practical. There's really no better way to describe the full LED rear lights, which feature animated turn indicators to stylishly inform other drivers where you're turning. The lights also showcase Škoda's distinctive C-shape crystalline style with their prominent and eye-catching multi-faceted finish.

Panoramic sunroof

The electrically adjustable panoramic sunroof provides extra sunlight and fresh air at the simple touch of a button. Made from tinted glass, it allows you to create a large open space above the front seats.

 Build your own

Models shown are not UK specification. Some of the equipment shown is optional.

Welcome home

It's not a coincidence everything in the interior feels precisely as it should. After all, you designed it that way. From the seat position and LED mood lighting, to the dashboard layout and radio station, every little touch bears your signature. Think of it as a second home, that you can take anywhere in the world at the touch of a pedal.

Models shown are not UK specification. Some of the equipment shown is optional.

Touch slider

The multimedia 10" display enables touch slider operation. You don't have to touch the screen to adjust volume levels or navigation zoom, when you do require on-screen functionality, an ergonomic wrist rest is provided for added comfort.

Ambient lighting

Transform the mood of your interior with LED ambient lighting. A wide choice of colour options is available, which come to vibrant life with a quick touch on the infotainment display. Lights run along the inside of the car, in foot wells, on door handles and in the luggage compartment.

Virtual cockpit/head-up display

Replacing old-fashioned instrument dials, the Virtual Cockpit cleverly displays onboard computer specifications in combination with other key data such as maps. Intuitively designed to avoid distraction, the head-up display shows key driving data in a way that's easy to absorb at a glance.

Online personalisation

Even when your car is driven by multiple users, thanks to online personalisation you'll always experience your Octavia, your way. The infotainment system wvng and dashboard layout to their preferred air con level. This is then synchronised with your Škoda ID account.

More power, less compromise

Whether a tale of power, invention or sustainability, every engine in the Octavia range has a unique story to tell. Whichever option you choose, you'll find all share the same reliability and uncompromising performance.

Models shown are not UK specification. Some of the equipment shown is optional.

Dynamic chassis control

Maximum performance, maximum comfort. This innovative system continuously evaluates and responds to various driving situations, adapting the damping and steering to ensure a smoother drive. The system's five ride settings can be changed at the touch of a button in the centre console to suit your specific needs. Sportier DCC options are also available for those seeking a more dynamic drive.

Fuel-efficient engines

Sustainability lies at the heart of every Škoda. So, whether you favour petrol or diesel, you'll find a super-efficient engine to suit.

Performance and aerodynamics

The Octavia's impressive aerodynamics haven't simply enhanced driving performance and fuel efficiency, they've also set the industry benchmark in terms of drag resistance.

Shift by wire

Only fitting for a family flagship car, the Octavia features 'shift by wire' technology that delivers maximum comfort in vehicles equipped with automatic transmission. Controlled by a shift lever in the centre console, it reduces the strain on the engine by deciding when to change gear, leaving you free to enjoy the journey.

Innovation at every turn

Switched-on thinking

In our always-on world staying connected on the go is no longer a nice to have – it's an absolute must. It's why the Octavia includes a number of smart assistance and infotainment systems to keep you informed at every corner, and entertained at every turn.

Images shown may not be UK specification. Some of the equipment shown is optional.

Stay connected

The new Škoda Connect system turns the Octavia into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. With Proactive Services the car will contact your Škoda Retailer to arrange a service. Finally, Emergency Call will contact the emergency services in the event of an accident to get you the help you need. [Click here to go to Škoda Connect.](#)

Roof-mounted USB port

In the rear-view mirror panel, you will find an additional USB-C slot. An ideal and discreet location for charging any windscreen mounted devices.

Navigation system

Featuring intelligent gesture control, the Columbus 3D navigation system displays all the information you need without any visual clutter. The device also provides different zoom options, ideal when viewing maps.

Leave nothing behind

In a car packed with intelligent driver systems and design features, we've made sure to leave plenty of room for space too. The luggage capacity can be enhanced thanks to a host of clever design features that increase practicality.

Remote folding seats

Make loading even easier by folding down the rear seats with a simple press of the remote release button located in the luggage compartment.

Front door compartments

Staying hydrated on the move is easy thanks to the 1.5ltr bottle holder and rubber strap in the door compartment. A removable waste basket can also be fitted.

Jumbo box

Keep your precious smart devices safely out of sight in the front armrest. The Jumbo Box will also cool your snacks when the air con is on, while drink holders with Easy Open function are on the centre console.

Always more in store

Each Octavia model may have its own distinct personality, yet all share one thing in common – generous space. With the rear seats folded, the Estate offers an impressive 1,700 litres, while the Hatch offers 1,555 litres. That's another load off your mind.

Models shown are not UK specification. Some of the equipment shown is optional.

Additional information

Simply ingenious

Let's be honest, life's complicated enough. It's the reason we've packed the Octavia with a host of thoughtful touches to make the everyday feel simpler in every way.

Virtual Pedal

Got your hands full? With the addition of a Virtual Pedal you can simply slide your foot beneath the rear bumper to access.

Models shown are not UK specification. Some of the equipment shown is optional.

Build your own

Keyless entry and start/stop

With the new version of the Keyless entry and start/stop all doors can be used to unlock or lock the car.

Reading lights with intensity control

This bright idea enables you to adjust the light intensity by simply holding your hand under the reading lights.

Liquid reservoir

Say goodbye to washer fluid spills with this handy feature, which includes an integrated funnel to ensure not a single drop goes to waste.

Umbrella storage compartment

Never let a wet day dampen your spirits thanks to this driver's door storage space, which can hold a Škoda umbrella. It's also been cleverly designed to drain water away from the car.

Fuel door

Inside you'll find a handy ice scraper for those frosty mornings, while fuel-fill protection eliminates the risk of ever filling up with the wrong fuel.

Additional information

Looking out for your safety

Safety is firmly in the driving seat, thanks to the active and passive driver assistance systems, which allow you to instantly respond to whatever comes your way.

Front Assist with Predictive Pedestrian Protection

Using a radar device in the front grille, the Front Assist system is designed to monitor the distance from the vehicle ahead, and also includes an emergency braking function. Octavia comes with Front Assist expanded with pedestrian protection, which warns the driver via an audio/visual signal as well as a gentle jolt of the brakes.

Blind spot detection

Be alerted to any vehicle in your blind spot, to make changing lanes safer and easier.

Adaptive Cruise Control

Adapt your speed automatically with Adaptive Cruise Control, which uses the radar in the front grille to maintain a constant distance from the vehicle in front at speeds of 15mph or more.

 Build your own

Models shown are not UK specification. Some of the equipment shown is optional.

Discover your Škoda

Black interior with cloth upholstery

Bolero radio with 10" touchscreen

Rear parking sensors with manoeuvre assist

Models shown are not UK specification. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Octavia SE

Enhanced comfort, advanced safety. The SE provides both thanks to a number of intuitive driver assist systems.

Standard equipment

Wheels

- > 16" Twister Aero alloy wheels

Exterior

- > LED headlights with LED daytime running lights
- > LED rear lights (low functionality)
- > Chrome grille surround
- > Black window surrounds
- > Electrically adjustable and heated door mirrors

Interior

- > Cloth upholstery
- > Two-spoke leather multi function steering wheel with paddles for DSG
- > Leather gearshift lever
- > Aluminium decorative inserts

Entertainment and communication

- > Bolero radio with 10" touchscreen
- > Colour multi-function trip computer
- > Wireless SmartLink for Apple CarPlay and Android Auto including MirrorLink
- > Voice control

Comfort and convenience

- > Height adjustable front seats
- > Lumbar support for front seats
- > Rear parking sensors with manoeuvre assist
- > Climatronic dual-zone air conditioning
- > Light and rain sensor
- > Cruise control with speed limiter
- > Keyless start/stop

Variable boot floor

LED interior light pack

17" Rotare Aero alloy wheels

Virtual cockpit

Octavia SE

Recommended Options

17" Rotare Aero alloy wheels

Including anti-theft wheel bolts.

Virtual cockpit

Replacing old-fashioned instrument dials, the Virtual Cockpit cleverly displays onboard computer specifications in combination with other key data such as maps.

LED interior light pack

Includes LED front reading lights, door handle illumination, footwell illumination in front and rear, illuminated vanity mirrors and Škoda welcome logo.

Variable boot floor

Have the ability to raise your boot floor to make moving items in and out even easier.

Adaptive Cruise Control

Uses the radar in the front grille to maintain a constant distance from the vehicle in front at speeds of 15mph or more.

Adaptive cruise control

Models shown are not UK specification. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Black interior with microsuède upholstery and padded dash panel

Electrically adjustable, heated, folding and driver side auto-dimming door mirrors

Adaptive Cruise Control with follow to stop

Octavia SE L

This premium trim not only keeps you fully connected on the go, it ensures you travel in absolute luxury thanks to a host of comfort enhancing features.

Standard equipment

Wheels

- > 17" Rotare Aero alloy wheels

Exterior

- > Chrome strip in lower front bumper
- > Chrome window surrounds
- > Rear privacy glass
- > Headlight washers
- > Electrically adjustable, heated and folding door mirrors

Interior

- > Microsuède upholstery
- > Front heated seats
- > Silver squares haptic decorative inserts
- > Microsuède padded dash panel
- > Chrome air vent surrounds

Entertainment and communication

Optional Standard - Not available

Please note: Some combinations of options can cause the vehicle to be unbuildable.

Please speak to your local Škoda Retailer or visit skoda.co.uk to configure your required specification. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Your Octavia, your way

Whether you're carrying bikes, need mudflaps and mats or the latest tech, our range of Octavia accessories are designed to protect your pride and joy and add that special finishing touch.

Roof box and aero roof bars

Combine our specially developed new roof bars with the modern, light, 380 litre Škoda roof box. Air resistance and wind noise are both minimised thanks to the unique aerodynamic profile and the optimized sweeping shape also has a positive effect on driving stability and limits vibrations. The roof carrier with enclosed carrier profile can fit this box using U-straps.

Nextbase 322GW Dash Cam & Go Pack

The Nextbase 322GW dash cam offers full HD, with 1080p HD resolution and a 6G glass lens for increased picture clarity. The 322GW has a 2.5" IPS HD touch screen providing user-friendly menu selection and playback. The exclusive new Click&Go Pro mount make mounting easier and quicker than ever before and an intelligent SOS feature alerts the emergency services to your location in the event of an accident.

Bicycle carrier for a tow bar

This extremely sturdy rack can carry three bicycles. Easy to fit and even easier to use, simply lift the bicycle up a little to secure in place before heading out for adventure.

Protection pack

Muddy boots. Sand-filled towels. Soggy bike gear. Escaping for adventure may be great for the soul, but it's far less kind on your interior. It's why we've created our Protection Pack, which includes front and rear mudflaps, double-sided boot liner and textile or rubber floor mats – all for a special pack price.

Protective boot tray

No matter how mucky things get, it's good to know that there's a boot liner to match it. This clever liner comes with an all-weather texture on one side with a textile reverse. They're quick to fit and remove, and all come with a 5cm raised edge to keep in dirt and make mucky boots a thing of the past.

Mudflaps

Mudflaps prevent stones, grit and road spray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

Floor mats

These quality mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. Available as either carpet or rubber mats.

Images are for illustrative purposes only. Please ask your Škoda Retailer for further information. All the above accessories can only be added to the vehicle after production at a Škoda Retailer and some may include an additional fitting cost.

VED (Vehicle Excise Duty) from 1st april 2023

VED Band	CO ₂ (g/km)	Petrol car/diesel car* (tax class 48 and 49) 12 months	Diesel car** (tax class 49) 12 months	Alternative fuel car (tax class 59) 12 months
A	0	£0	£0	£0
B	1-50	£10	£30	£0
C	51-75	£30	£130	£0
D	76-90	£130	£165	£120
E	91-100	£165	£185	£155
F	101-110	£185	£210	£170
G	111-130	£210	£255	£200
H	131-150	£255	£645	£245
I	151-170	£645	£1,040	£635
J	171-190	£1,040	£1,565	£1,030
K	191-225	£1,565	£2,200	£1,555
L	226-255	£2,220	£2,605	£2,210
M	over 255	£2,605	£2,605	£2,595

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current Škoda UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £390 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK calculation example

Based on
Octavia SE 1.0 TSI 110PS Hatch

P11D value **£24,275.00**

Company car BiK tax based on CO₂ emission level **28%**

Taxable BiK (for 2023/2024 tax year): 28% of £24,275.00 **£6,797.00**

Annual company car tax (2023/24)

20% income tax 20% of £6,797.00 **£1,359.40**

40% income tax 40% of £6,797.00 **£2,718.80**

Monthly company car tax (2023/24)

20% income tax £1,359.40 divided by 12 months **£113.28**

40% income tax £2,718.80 divided by 12 months **£226.57**

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2023/2024.

* Figures for the Škoda range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st June 2023.

Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see skoda.co.uk/owners/wltp-info or consult your retailer.

Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

** Please note, if a tow bar or tow bar preparation is not fitted on the car, the VIN plate may not show any towing weights and the car will never be eligible for towing.

As such it may not be possible to retrospectively fit a tow bar if the car is not fitted with tow bar preparation at Factory. Please speak to your Retailer to confirm the exact towing eligibility.

Additional information

Škoda Financial Services

Škoda Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new Škoda on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

Škoda Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your Škoda Retailer for your personalised quotation today.

T&Cs apply, ŠKODA Financial Services.

Škoda Car Insurance

Complimentary Škoda Drive Away Insurance

Every new and Approved Used Škoda comes with five days' complimentary insurance cover, getting you on the road quickly and easily so you can enjoy the things that matter. Škoda Drive Away Insurance is designed specifically for your Škoda and guarantees that your car will be repaired in a Škoda Approved Repairer. Speak to your Škoda Retailer for more details.

Subject to eligibility.

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Škoda Car Insurance offers.

Read on for more details.

Škoda Car Insurance

Škoda Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Škoda. Just as you'd expect from Škoda, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost.

Insure your car with Škoda and relax knowing we only use Škoda trained technicians, who know your car inside out, and Škoda genuine parts*, giving you the peace of mind that your Škoda will be repaired to the same high standards as before and to original manufacturer specifications.

*Excludes windscreen claims.

There's a lot to like about being a Škoda driver.

Get a quote or find out more at [insurewithskoda.co.uk/car-insurance](https://www.insurewithskoda.co.uk/car-insurance)

Alternatively, call us on **0345 246 9091**. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

Škoda Car Insurance is underwritten by U K Insurance Limited. Calls may be recorded.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Until 31st October 2022 Volkswagen Insurance Service (Great Britain) Ltd operates as an appointed representative of VWFS UK, after this date all references to Volkswagen Insurance Service (Great Britain) Ltd should instead be read as VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority. VWFS UK and U K Insurance Limited are not part of the same corporate group.

Škoda Gap Insurance

What is Škoda Gap Insurance?

If your Škoda is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new Škoda or help pay off any outstanding finance, lease or hire agreement.

There are two options for you to choose from:

Škoda Gap Insurance

This pays the difference between the write off settlement from your motor insurer and the price you paid for your Škoda or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, Škoda Gap Insurance will cover the difference between the write off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit up to £2,000.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

Škoda Gap Insurance Plus

In addition to all the benefits of Škoda Gap Insurance, the Škoda Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written off during the additional 12-month fixed benefit period of insurance, Škoda Gap Insurance will pay a fixed sum of £2,500.

Why choose us?

Škoda Gap Insurance gives you the financial protection your Škoda deserves. So you can relax knowing that if you need to make a claim, we could help you get back into a replacement Škoda.

To discover the additional benefits and full terms and conditions, please refer to the Cover Booklet.

For more information about Škoda Gap Insurance, please speak to your nearest participating Škoda Retailer or go online www.insurewithskoda.co.uk/gap-insurance

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR.

Škoda Gap Insurance is administered by Car Care Plan Limited and underwritten by Motors Insurance Company Limited. VWFS UK is not part of the same corporate group as Motors Insurance Company Limited and Car Care Plan Limited.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your Škoda in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine Škoda approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first 2 services for a fixed payment, protecting you from inflation. You can choose to pay upfront or monthly across 24 monthly payments. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your Škoda Retailer to create a more tailored service plan.

Exclusions, terms and conditions apply. Servicing must be carried out in line with the requirement of the service schedule. All work must be carried out at a Škoda Authorised Repairer. Additional work, including wear and tear, is excluded. Freepost Škoda Financial Services.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your Octavia, you can choose whether your car is on a fixed or a flexible service regime. Your Škoda retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Additional information – continued

Roadside assistance

A three year, European-wide, unlimited mileage Škoda Assistance policy comes free of charge with every new Škoda. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local Škoda Retailer.

Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one our advisors via live chat, on Monday to Friday from 8am-8pm.

A network that's here to help

You can be sure that as a Škoda customer, your retailer will look after you from the moment you walk through the door and throughout the life of your Škoda. Your Octavia will be serviced and maintained by specially trained Škoda technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the Škoda network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA), Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC of PIP), War Pensioners' Mobility Supplement (WPMS) or Armed Forces Independence Payment (AFIP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local Škoda Retailer.

Warranty

Peace of mind with a Škoda warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your Octavia also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

Owning a Škoda

Three-year vehicle warranty from new

First two years unlimited mileage.
Third year with 60,000 mile limitation, whichever is sooner.
Four to five years Optional Extended Warranty.

Three-year paint warranty

Up to 12 years body protection.

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark

plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at: [skoda.co.uk/owners/accessories-and-merchandise](https://www.skoda.co.uk/owners/accessories-and-merchandise)

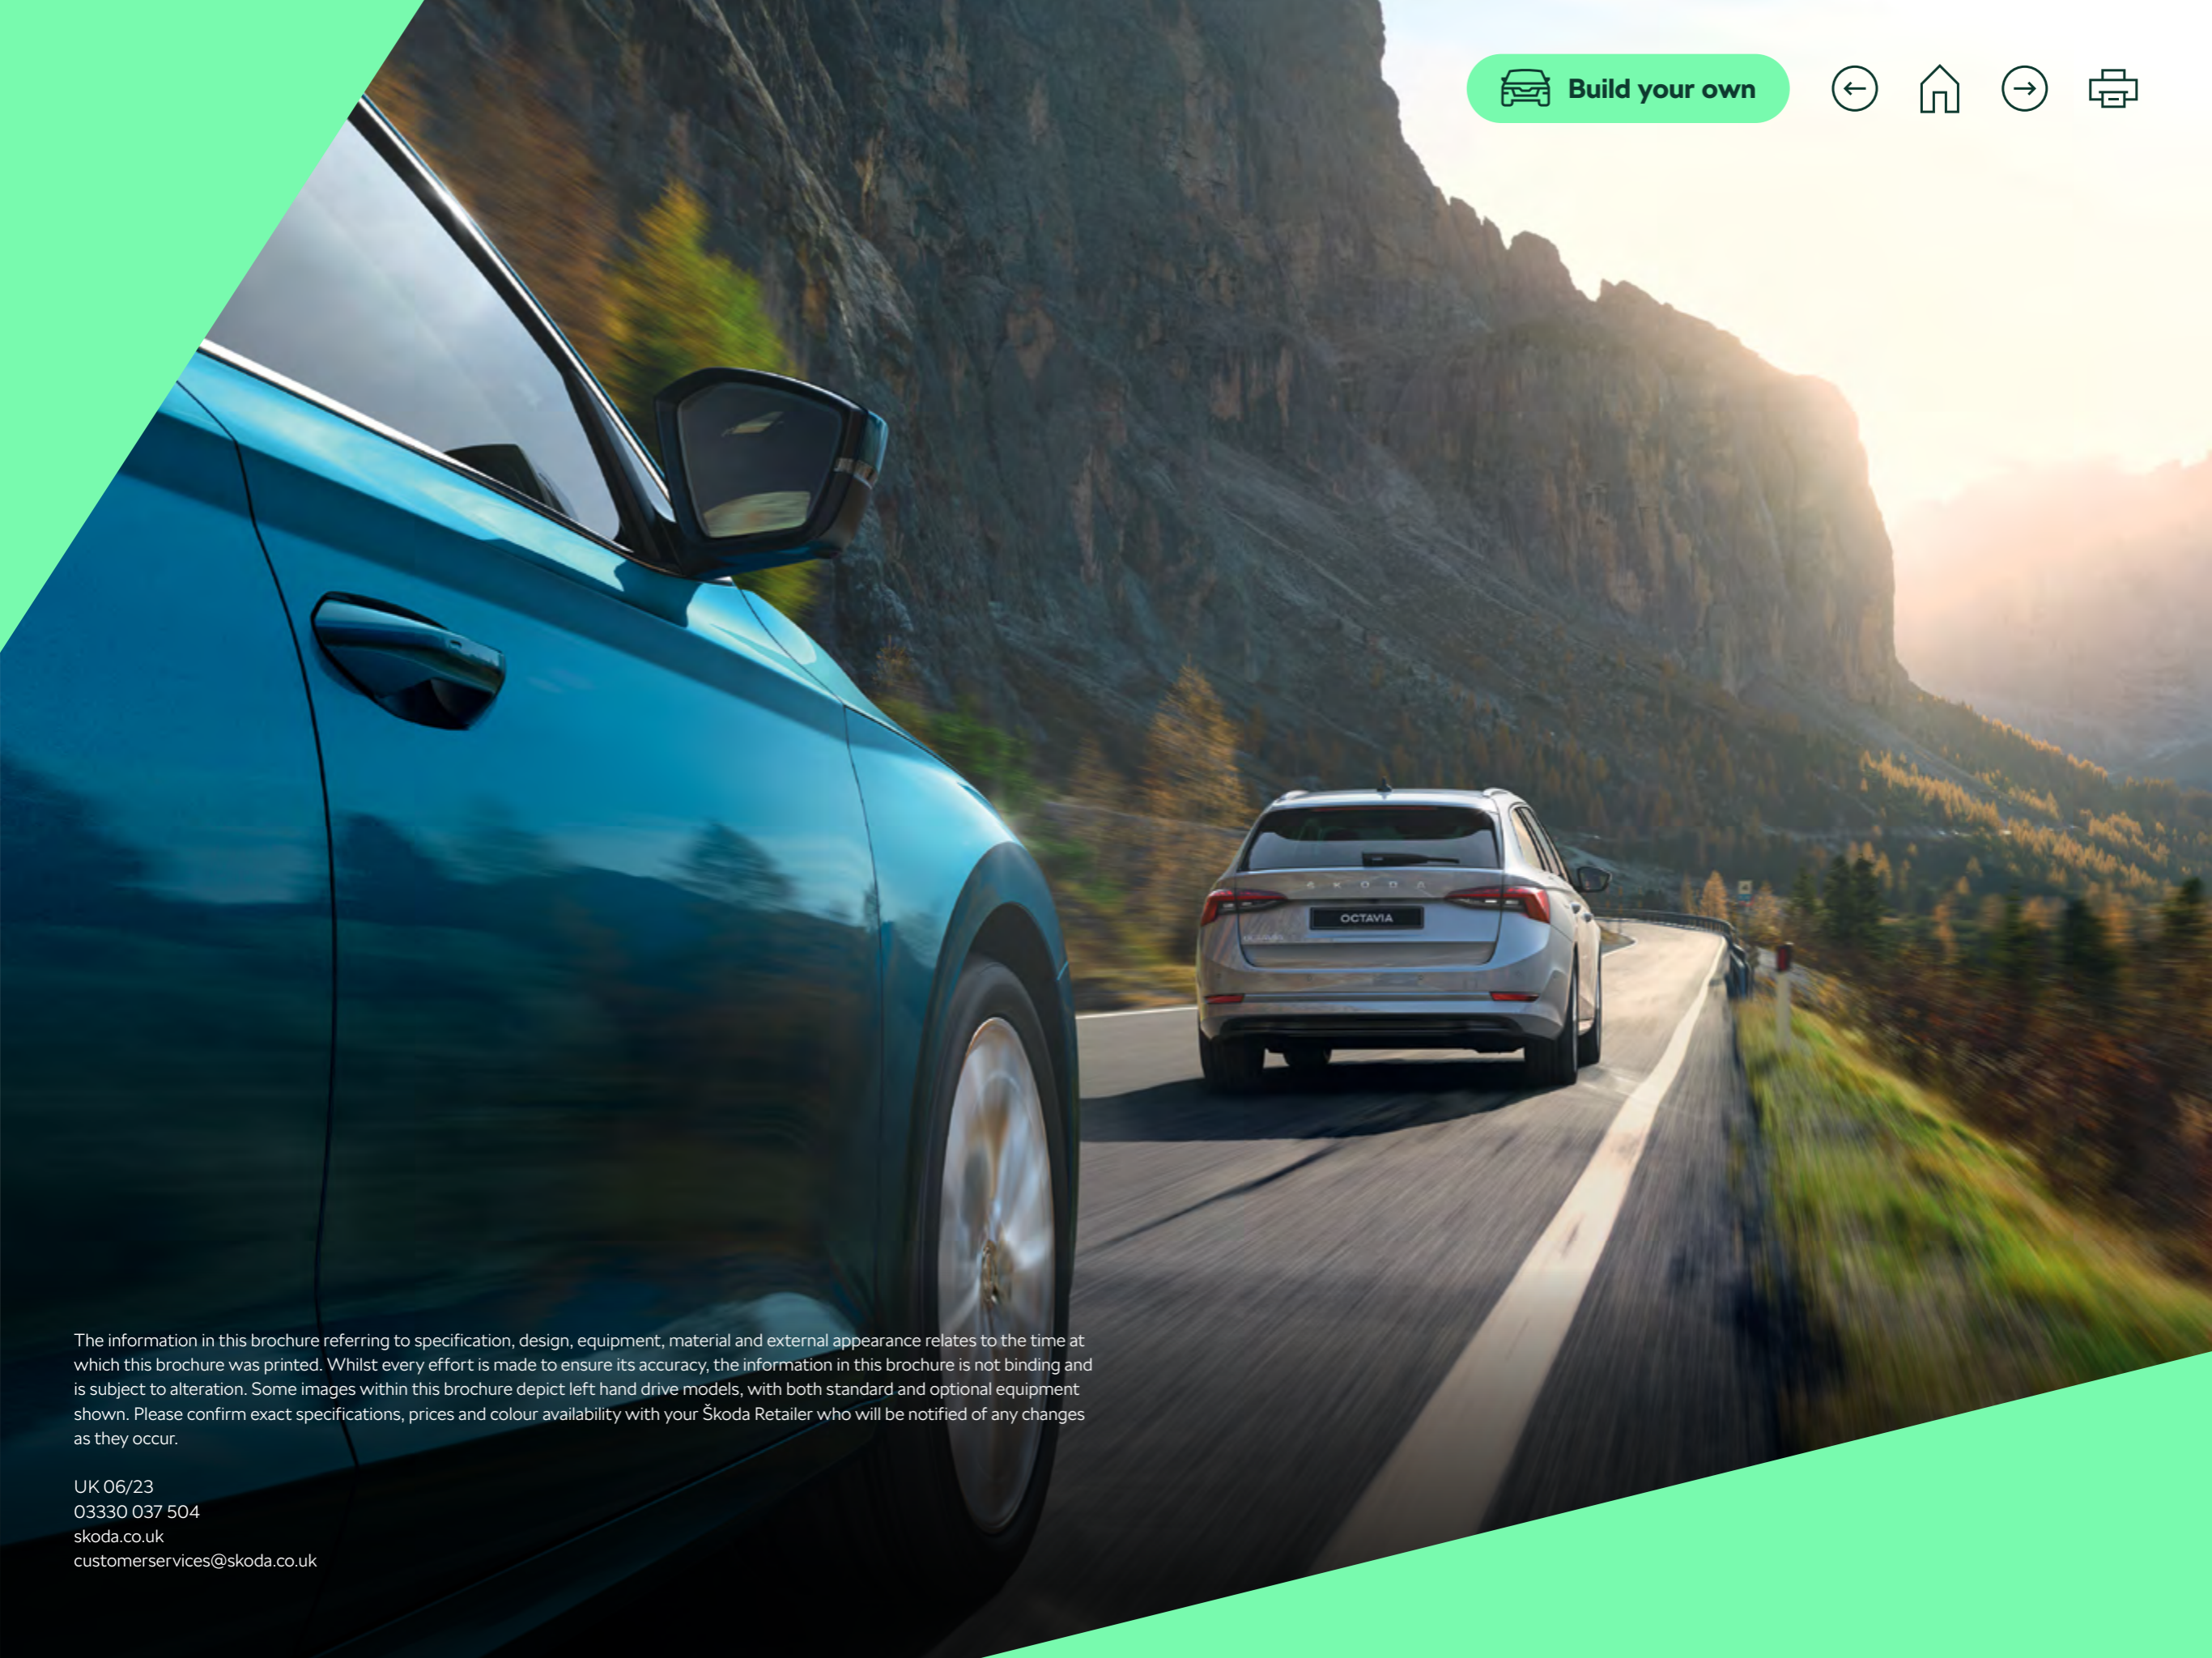

Figures for the Škoda range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 29th November 2022. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see [skoda.co.uk/owners/wltp-info](https://www.skoda.co.uk/owners/wltp-info) or consult your Retailer.

Škoda UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen Škoda Retailer.
